

Zion Tuition Assistance Fund

Zion Lutheran School strives to welcome families who value a Christian, classical education and keep tuition costs affordable. Donations to the Tuition Assistance Fund directly impact all our students as Zion prepares them through faith and academics.

The operation of a private Christian school is an expensive endeavor. It costs over one million dollars annually to run Zion! Tuition covers a good portion of this, but rising costs continue to make it a challenge to keep tuition affordable for families. To keep tuition affordable for all, Zion awards assistance to those who qualify - this year approximately \$100,000 has been awarded to Zion school families. Your donation to this fund helps us continue to be able to offer a Christian education to those who desire it for their children and contribute to covering the cost of education for all our students.

Zion Lutheran School PTL is beginning an ongoing campaign to raise money for the Tuition Assistance Fund. We are asking everyone to think and pray about contributing to the fund. Please even consider making your gift a recurring donation. If 200 families/individuals could donate \$25 a month, we could raise \$5,000 a month equaling \$60,000 a year! Please share this information with your friends and family who also want to support Zion Lutheran School.

Recurring donations can be canceled at any time by contacting Zion's office. A giving statement will be mailed at the end of each calendar year.
